

## Librarians as Learning Specialists

# Allison Zmuda

Author, Consultant, National and International Speaker

Seize this opportunity to learn from the dynamic Allison Zmuda, the author of *Librarians as Learning Specialists*, *The Competent Classroom*, and *Transforming Schools: Creating a Culture of Continuous Improvement*. In this workshop, Allison will:

- Explore the increasing number of job descriptions in schools for learning specialists with the accompanying difficulty in effectively leveraging these roles to positively affect student learning.
- Emphasize the relevance of learning specialists' ability to deliver results on mission-critical measures.
- Incorporate quotations, exemplars, and findings from experts in both mainstream and librarian-focused education literature
- Provide accessible and credible arguments for any library learning specialist charged with improving the library's ability to improve student achievement.
